

Potential Trees

Ornamental Trees

Spring Snow Crabapple
(*Malus 'Spring Snow'*)
20'-25' height
15'-20' spacing

Showy white flowers, does not produce fruit, tolerant of wide range of conditions

Tatarian Maple
(*Acer tataricum*)
25' height
25-30' spacing

Upright form, dense bright green foliage with brilliant autumn color

Shade Trees

Redmond Linden
(*Tilia x euchlora 'Redmond'*)
40'-50' height
25' spread

Will tolerate dry, heavy soils, dense, pyramid form and large dark green leaves

Thornless Common Honeylocust
(*Gleditsia tiracanthos inermis 'Skyline', 'Imperial', 'Moraine' & 'Majestic'*)
35-50' height
35' spread

Withstands extremes in soils, tolerates heat, drought and salt.

Norway Maple
(*Acer platanoides, 'Schwedler', 'Superform', & 'Emerald Queen'*)
50'-60' height
40' spread

Tolerates air pollution, withstands extremes in soils.
